An Urgent Request For Help

For more years than most of us can remember the St. Vincent de Society has operated a thrift store in Mountainair. Over those years we have literally assisted thousands of families, providing free or inexpensive clothing, emergency food resources, utility assistance, propane, prescriptions, gasoline, and most importantly spiritual comfort to our Parish community. However, as a result of the Covid pandemic our number of volunteers has been reduced to 5, far too few to operate the Conference as we attempt to meet the needs of our Parish community. We are in urgent need of volunteers to assist in the store and especially we need two persons to step forward and offer to fill the offices of President and Vice-President. If we do not fill these positions by September 1, 2022, we will be forced to consider closing the store operations and our service to our Parish. We acknowledge and appreciate all of your support in the past and pray we can in the future.

Rosa Ornelas, President
